## IDEAL/Contex HD2530

Expand your business opportunities with IDEAL/Contex's HD2530 all-round color and monochrome HD2530 wide format scanner featuring advanced technology and quality imaging. Small enough to fit on your desk, yet big enough to handle your toughest archiving tasks - the IDEAL/Contex HD2530 delivers HD quality in an attractively small package. The 25" imaging area is designed to facilitate archival and reprographic tasks with a wide variety of technical documents, detailed maps and drawings, or color posters and architectural sketches - all with unparalleled detail and accuracy. IDEAL/Contex HD2530 handles up to A1 or D-sized originals and documents with ease. With uncompromising image quality standards, the IDEAL/Contex HD2530 is designed to provide dependable, top-quality results for businesses-critical imaging tasks. Whether you are a private business, government agency or high-volume copy shop, IDEAL/Contex's full range of HD scanners is the right solution for improved efficiency and productivity.

Large Format Imaging Solutions

AWD for a perfect and even grip on any kind of original - even thick documents!

The 25-inch scanning area is ideal for scanning up to A1 or D-size documents or well logs.

## Features

- 25-inch design can handle up to A1 or D-size originals
- 48-bit color and 16-bit grayscale image data capture from high quality CCD technology
- Two efficient plug'n'play interface options - FireWire and USB 2.0
- On-board Image Processing: Built-in Sharpen, Blur, Descreen, Error Diffusion, Adaptive Thresholding
- Scan-to-Net function for scanner sharing over a network, and sending files to remote PCs
- Color calibration to sRGB color space
- Upgrade to PLUS model for more speed and higher resolution.

### Small Size, Big Quality

The smallest of the HD series provides the same high level of quality as the larger HD products. The combination of a highly sensitive high-quality CCD camera with a full-sized professional-grade camera lens, gives the HD2530 the power to capture higher levels of detail than the competition.

### Archiving When You Need

Whatever your archival needs are, IDEAL has the right solution for your business. The HD2530 scanner is the ideal solution for oil/mining industries, clipping services, and is perfect for copy shop/imaging services world wide. Thanks to 48-bit color and CCD imaging quality, the HD2530 is also perfect for desktop publishing and graphics work.
